Company Introduction

I’m Jack Huebner and I like making lego stop motion films

I’m Maya Chinai and I don’t like people, but I do like cats, and art. (but I can tolerate a few people).

And we are the CREATIVE KIDS!!!!
Mission Statement

Our beautiful original classroom will help students get more comfortable and expand their creativity to inspire, to do, and be their best to make a difference in the world.

Design Inspiration
Design Reasoning

- We want our design the best as it can be while providing a place for students to get a feel for having a great environment in the classroom.
- We kind of want our design to have a home type of feel and we want the design have a warm feeling also.

Conclusion
Why go with Creative Kids Co?

You should go with Creative Kids Co. because we dedicate a lot of time into designing. We have a bunch of thought into what we're designing and we try to make the classroom as good as possible so students can get a good feel of the classroom.
