

### Self Reflection Form

#### Classroom Norms:

- *Respect and be open minded to other people's ideas and opinions, as well as working with different people*
- *Work at a volume that is appropriate for the task, and keep the environment productive for others*
- *Respect each other, actively listen, and do not judge others*
- *Challenge yourself, and respect that everyone works at their own pace*
- *Keep our community safe and take care of our classroom and supplies*
- *Use a positive attitude to make the class a happy and comfortable space*
- *Be brave asking questions and help encourage others to speak up*
- *Put forth your best effort*
- *Have fun and enjoy what we are doing*

*Directions: Please answer the questions below in complete sentences with explanations.*

Tell us a classroom norm that you feel like you have modeled well for other students and explain why. This can include any positive contribution to our class or school.

---

---

---

Looking at the norms, is there an area you feel you can improve in, or push yourself for next week? Please explain.

---

---

---

Explain your top accomplishment below. This can be a behavior, social, or academic accomplishment.

---

---

---

Using evidence from your graded assignments, how do you feel you are doing at managing your projects?
